## Who we are

PRO-FRGW is a leading Contracting Establishment & Steel Fabricators. PRO-FRGW is working from more than 10 years in different countries of Gulf with an objective to serve their clients with best architectural metals works and structural steel. We have fabrication units in different locations of Gulf like UAE, Bahrain, Egypt, Oman and Saudi Arabia.

## Our core values

We make an effort to support a society and environment that are sustainable. Our employees and clientele are important to us. We work safely, dependably, and honestly. We are innovation-driven.

## Our strategy

pro-frgw constructs homes. Modular construction techniques are used in an automated and industrial setting. This construction style offers a wide range of observable advantages in terms of its effectiveness, swiftness, quality, and particularly sustainability. Hence, we construct in a smarter, quicker, and cleaner manner.
